Limitations and Exclusions

The applicable benefit amount will be paid if the date of diagnosis occurs while the certificate is in force and the cause of the illness is not excluded by name or specific description.

EXCLUSIONS

Benefits will not be paid for loss due to:

- Intentionally self-inflicted injury or action;
- Suicide or attempted suicide while sane or insane;
- Illegal activities or participation in an illegal occupation;
- War, whether declared or undeclared or military conflicts, participation in an insurrection or riot, civil commotion or state of belligerence;
- Substance abuse; or
- Pre-Existing Conditions (except as stated below).

No benefits will be paid for loss which occurred prior to the effective date.

No benefits will be paid for diagnosis made or treatment received outside of the United States.

PRE-EXISTING CONDITION LIMITATION

Pre-Existing Condition means a sickness or physical condition which, within the 6-month period prior to the effective date, resulted in you receiving medical advice or treatment.

We will not pay benefits for any pre-existing condition starting within 6 months of the effective date. A claim for benefits for loss starting after 6 months from the effective date will not be reduced or denied on the grounds that it is caused by a pre-existing condition. A critical illness will no longer be considered pre-existing at the end of 6 consecutive months starting and ending after the effective date.

Applicable to Cancer and/or Carcinoma in Situ: If all other plan provisions are met, recurrence of a previously diagnosed cancer will not be reduced or denied provided the diagnosis is made when the certificate is in-force, and provided the insured is free of any signs or symptoms of that cancer for 12 consecutive months, and has been treatment-free for that cancer for 12 consecutive months.
